LOCAL EMPLOYMENT PARTNERSHIPS
IN BOSNIA AND HERZEGOVINA

"Local Employment Partnerships in Bosnia and Herzegovina" project is part of the EU Programme for Local Development and Employment which is funded by the EU in the amount of EUR 19 million. Three projects that operate under the Programme will be implemented by UNDP, GIZ and ILO, until January 2019, with aim to assist economic recovery of floods affected areas, support the local economic development and local NGOs with social development recovery assistance and provide structural employment enhancement measures through integrated local development.
