QUESTION 1
The excel file named 101129 BoQ-rev - Vol4.xls contains the tab sheet called C TOTAL which shows the total of interior works. This total is presented as a sum of the following subtotals:

I. RESTORATION OF DECORATIVE PAINTING

IV. ELECTRO INSTALATIONS WITH INTERIOR DESIGN and

V. DECORATIVE LIGHTING CHANDELIERS AND WALL LIGHTING FIXTURES

However, the subtotal for II. BUILT IN AND MOBILE EQUIPMENT detailed in rows 153-165 and represented by the excel field F167 has not been included in this overall total.

In view of the above mentioned, we would like to have an additional clarification whether this BUILT IN AND MOBILE EQUIPMENT needs to be bidden and included in the overall total or should it be presented separately.

ANSWER 1
Yes, it (rows 153-165) has to be included in bid, excel field F167 should be included in overall total.

QUESTION 2
In Volume 4 - we found only the BoQ's for the works on the Sarajevo and Novi Grad City Halls. Our questions are:

1. Are the missing chapters obligatory to be a part of our offer or not?

If the reply is yes, answers to the following questions are to be provided

For the below given items, which forms should we use - "Financial Offer Templates for unit price contracts" or "forms which will be submitted by the Client" or are we free to use arbitrary forms?
A. Price Schedule
B. Dayworks Schedule
C. Detailed Breakdown of Prices

ANSWER 2
