Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.

If more than 8 eligible candidates meet the above selection criteria, the relative strengths and weaknesses of the applications of these candidates must be re-examined to identify the 8 best applications for the tender procedure.

The only factors which will be taken into consideration during this re-examination are:

1) the number of the completed relevant projects in the fields related to this contract as per criterion 3.1;
