

EUROPEAN UNION

Delegation of the European Commission to Bosnia and Herzegovina

Sarajevo, May 2009

## **CLARIFICATION No. 1**

**Project title: Supply of vehicles to the centre for irregular migrants in BiH and for the Ministry of Security**

**Tender No: EC/BiH/TEN/09/033**

### **Question 1:**

Lot 2, items 2.2 and 2.4

Kindly be informed that regarding Items 2.2 Pick-up vehicle – type 1 and 2.4 Pick-up vehicle - type 2, height of the luggage or cargo compartment of the pick-ups are approximately 400mm. Therefore we kindly ask you to revise the required sizes of the luggage compartment.

### **Answer 1:**

Please refer to the technical specification. Minimum net height of the luggage compartment for both items 2.2 and 2.4 is 900 mm.

### **Question 2:**

Lot 2, item 2.2

Engine volume is requested as 1.8 liter, in automotive market 1753 cc accepted as 1.8 liter, so please put minor deviations to the technical specifications.

### **Answer 2:**

Please refer to the technical specification. Proposed equipment has to meet minimum requirements of the tender dossier. Due to reasons of taxation, a margin of 1% will be accepted.

### **Question 3:**

Lot 2, items 2.1 and 2.2

Do you require 4x4(Four wheel drive) Pick-up or not?

### **Answer 3:**

No, 4x4 is not a requirement for the pick-ups under items 2.1 and 2.2.

### **Question 4:**

Lot 2, items 2.1 and 2.2

Pick-ups with ASR has minimum approximately 1900 ccm so we kindly request you to increase engine volume or delete ASR from the specifications.

**Answer 4:**

Please refer to the technical specification. There is no need to increase the requirement of the engine volume, since 1400 ccm was specified as a minimum requirement, so companies are free to offer anything but smaller engine than 1400 ccm.

**Question 5:**

Lot 1, item 1.1

Please refer to the technical specification. Proposed equipment has to meet minimum requirements of the tender dossier. Due to reasons of taxation, a margin of 1% will be accepted.

**Answer 5:**

Please refer to the technical specification. Proposed equipment has to meet minimum requirements of the tender dossier.

**Question 6:**

Lot 1, item 1.1
