IPA 2009

4. Financing

BGUE-B2010-22.020200-C8-ELARG DELBIH

5. Contracting Authority

- European Union, represented by the European Commission on behalf of and for the account of the beneficiary country

6. Nature of contract

Fee-based

7. Contract description

The assistance will be comprised of two independent components/lots:

Lot 1: Development of an Agricultural Market Information System: aim of this component will be to establish a low cost Agriculture Market Information System (MIS) delivering relevant, accurate and timely information to agriculture market users and policy decision-makers throughout BiH; and

Lot 2. Development of a framework for Land Parcel Identification System (LPIS) in BiH: this component will aim at establishing a framework for LPIS, based on a pilot digital geo-database consisting of ortho-photos, production blocks and thematic layers for the identification of all agricultural parcels in production areas, as a first step towards establishment of the integrated nation-wide LPIS.

Both components of this technical assistance will be complemented by a separate supply tender related to the procurement of software and hardware for IT support to implementation of MIS and LPIS pilot schemes.

8. Indicative budget

2,430,000.00 EUR

9. Intended timing of publication of the procurement notice

First quarter of 2011.
