BGUE-B2008-22.020200-C8-ELARG DELBIH

5. Contracting authority

European Community, represented by the European Commission on behalf of and for the account of the beneficiary country

6. Contract description

Procurement of the equipment (Printers, Smart card reader / writer, Smart Card, Smart Card Accessories, Hardware Security Module, application software and Digital cameras) that will support PKI System for Issuing of Identification Documents. System has necessary control and administrative procedures as well as security features and mechanisms. System includes Public Key Infrastructure (PKI) necessary to support Certification Authority. Smart cards and optionally biometrics are widely used for secure log-on and digital signature procedures. During the system work, audit logs should be produced with identification of the workstation, identification of the user, action, date and time. The proposed system should be modular, scalable, expandable, open designed and fully compliant with latest EU directives.

7. Indicative number and titles of Lots

Lot 1: Printers, Smart card reader / writer, Smart Card, Smart Card Accessories, Hardware Security Module, application software and Digital cameras

Lot 2: Servers Model 1, Servers Model 2, Rack, Notebook

8. Intended timing of publication of the procurement notice

August 2008
