Question No. 1:

Having carefully reviewed the Service Procurement Notice published for the above-mentioned tender, and bearing in mind the Contracting Authority's Clarification for the tender RS-Belgrade: IPA – Project Preparation Facility – EuropeAid/131421/C/SER/RS, we would like to ask whether ongoing projects carried out by the candidate, with a long duration, would be acceptable and valid under point 21.2.1, if the mayor part of the project had been completed within the stipulated time period, as envisaged in the Practical Guide 2.4.11.1.3?

Answer No. 1

The candidate may refer to a part of a project where the contract is not yet completed, but then only the part which is successfully completed may be used as reference and the candidate needs to be able to submit documentary evidence of this part's successful completion, e.g. a statement from the entity which ordered or purchased the service.
