Question 1:

Does the description of Item No 5.20 refer to an actual lectern stand or a stand on which to place music speakers?

Answer 1:

Item No: 5.20 will be used to place a laser printer on it.

However, it is not a lectern stand. It will also serve as a cabinet to put papers, cartridge etc. of the printer. Therefore, it has a front panel that will be designed as a door of this cabinet.

Dimensions: 75x60x60cm, -/+%10,

Question 2:

a) Please specify dimensions for items: 5.1, 5.2, 5.3, 5.4, 5.8, 5.9, 5.11, 5.19

b) Please specify number of trays for item 5.4

c) For item 5.18 "refrigerator": Please specify is it low or high refrigerator, with one or two doors, with or without deep freeze?

Answer 2:

a) All dimensions are mentioned thoroughly in the tender dossier, an example how to read them is as follows:

Item no: 5.8, Open shelves + cabinet with door – 3

Dimensions -/+ %5

90x45x195cm.

3 shelves

This description indicates 3 pieces of cabinet, each with 3 open shelves and a closed part with door. Dimensions throughout the tender dossier are given in the following order: *Length x Width x Height= 90x45x195cm*, if not specified otherwise, indicated dimensions may vary within the range of -/+ %5.

b) Item no: 5.4, Mobile documentation drawer - 2

This item should be mobile (on wheels), with minimum 3 drawers (trays). Number of trays is to be determined by the ergonomical design of this specific product.

c) Item 5.18, Refrigerator-1

Dimension of the refrigerator should be 58L x 54.5W x 174H cm, -/+%5. So it is a high refrigerator with freezer as used e.g. by households. One or two doors are acceptable.
