Additionally, in order to ensure efficient payment of travel costs and per-diems please be aware that you must respect national laws and accounting standards applicable to your institution. (E.g. some organizations are unable to pay travel costs/per diems/daily allowances/overnight stay to persons who are not employees of beneficiary institution). In that case, their unit used in the budgeted process would be daily fee.</p>	<p>Please be aware that all experts listed under budget heading 5 must be selected in line with procurement procedures defined in <i>ANNEX IV Procurement by grant Beneficiaries in the context of European Union external actions</i> (document e3h3_awardproc_en.doc available in 3<sup>rd</sup> CfP tender dossier). <b>Hiring an "in house" expert/s (applicants', co-applicant's and or affiliated entity's staff) is not allowed.</b></p>
