Question 1:

Lot 1, Item 4 – Multifunctional copier / scanner / printer – 9 pcs

You are asking for print speed 14 / 25 ppm A3 / A4.

Please note that the standard speed in colored MFP is 13 / 25 ppm A3/ A4. Please confirm that it's acceptable otherwise we will select more than 25 ppm and the cost will be more expensive.

Answer 1:

Please refer to the Corrigendum No.1 to the Tender Dossier.

Question 2:

Lot 1, Item 6 – LCD digital signage (public display) – 3 pcs

In order to select the suitable model for your application, please find here below our questions on this item:

- What content will be displayed on the monitors (ie. High Definition videos?, Animation? news feeds? static images? all of these?)
- Is there a need to interact with other 3rd party systems (ie. website, other applications? etc)
- Is there wired networking available at the installation points?
- Do they want to install the server software in the sites?

Answer 2:

- All type of contents will be displayed on the screens.
- No, there is no need for interaction.
- Network wiring will be available.
- No, there is no need for server software.

Question 3:

Lot 1, Item 9 – UPS (for NAS) – 3 pcs

You are asking for 2000 VA / 1700W.

Please note that the standard capacity of the UPS is 2000 VA / 1600W. Please confirm that it's acceptable otherwise we will select 3000 VA and the cost will be more expensive.

Answer 3:

No, we do not confirm. Reducing power from 1700W to 1600W is NOT acceptable and offered product must meet all the requirements as specified in the Technical specifications.
