CLARIFICATION NO 3 TO TENDER DOSSIER

Improve Technical Working Conditions of Court Police, Bosnia and Herzegovina

Publication reference: EuropeAid/136617/DH/SUP/BA; EU/BiH/TEN/15/001

QUESTION no. 1

Delivery time: In accordance with the Tender Dossier (Special conditions, Article 19 Period of implementation of the tasks), the period for supply, delivery and unloading must be within 135 days from the commencement date.

However, kindly note that above delivery period is not sufficient for the supplies required under Lot 1.

On the basis of the current manufacturers' production schedules, at least **180 / 210** calendar days shall be needed for production of basic vehicles, the necessary upgrades through the manufacturer's authorised body converter, the factory testing and the delivery to the named final destination.

In light of above, to ensure a participation on equal terms amongst all eligible tenderers, we kindly stress the need for an extension of the period for supply, delivery and unloading up to **210** calendar days from the commencement date.

ANSWER no. 1

Special Conditions, Article 19 has been modified. Please see Corrigendum no 3 to TD.
