Delegation of the European Union to Bosnia and Herzegovina

Clarification No.1 to the Service Contract Notice

Tender title: Design and studies for betterment of road on SEETO Route 2b, section Sarajevo-Foča (Brod na Drini)

Tender no.: EC/BiH/TEN/18/015

Publication ref.: EuropeAid/139616/DH/SER/BA

Question 1: Point 21. Selection criteria “...*Possession of at least valid licenses of both FBiH and RS for design in civil engineering (licenca za projektiranje/projektovanje u oblasti niskogradnje), if further restricted in the license than exclusively for design of roads (projektovanje/projektiranje puteva/cesta).*”

It is our understanding that we should have at least one of them. It is not necessary to have both of them? Could you clarify this point?

Answer 1: As it was quoted above, both specified licenses in civil engineering, Federation of BiH and Republika Srpska are required.
